## **Department of Mechanical and Electromechanical Engineering Regulations on Supervising Students in Master's and Doctoral Programs**

Approved by the 5<sup>th</sup> Department General Meeting on January 24, 2007, School Year 95.

- I. The present regulations are issued in accordance with “National Sun Yat-sen University College of Engineering Regulations on Supervising Students in Master's and Doctoral Programs.”
- II. Faculty members in the Department of Mechanical and Electromechanical Engineering are permitted to supervise up to twelve students in the master's or doctoral programs within a two-year period (students in in-service education programs or direct pursuit of PhD are not included in calculations).
- III. If there are students in the master's or doctoral programs left without a research supervisor due to the limitation stated in Article II, each division may authorize exceptions accordingly.
- IV. The present regulations shall be implemented following approvals of college heads meetings. The same procedure shall be carried out when amendments are to be made.
